

Debtor: Lordstown EV Sales LLC

Case No. 23-10833 (MFW)
Reporting Period: February 2024

General Notes to Monthly Operating Report and Supporting Documentation

The Debtors have prepared the MOR with the assistance of their advisors and professionals solely for the purpose of complying with the reporting requirements applicable to the Chapter 11 Cases. The financial and supplemental information contained herein is unaudited and is not prepared in accordance with Generally Accepted Principles in the United States (GAAP) nor in accordance with securities laws or other applicable non-bankruptcy law. Although the Debtors have made commercially reasonable efforts to ensure the accuracy and completeness of the MOR, inadvertent errors or omissions may exist.

The Debtors have historically accounted for and reported (and their accounting systems and practices were developed to account for and report) assets and liabilities on a consolidated basis and not on an entity-by-entity basis or Debtor-by-Debtor basis. Moreover, the Debtors' business has been operated on a consolidated basis with no allocation of assets and liabilities to different entities. In preparing this Monthly Operating Report, the Debtors have reported the assets, liabilities, and other information herein on a deconsolidated basis based on certain assumptions which may or not ultimately be proven valid. In light of the foregoing, this report is subject to material change and should not be construed as constituting a definitive determination regarding the allocation of particular assets or liabilities as among the Debtors (and there is a significant likelihood that such allocation will not be possible). The rights of all Debtors (and each of their estates) with respect to these issues are reserved.

Certain portions of the Debtors' prepetition contingent liabilities reflect disputed liabilities that are subject to compromise, and all rights of all Debtors are reserved with respect to such liabilities and their allocation.
